ICSCM 2024 will be held in Singapore during January 12-14, 2024, co-located with ICCMB 2024 (2024 7th International Conference on Computers in Management and Business). The main purpose of ICSCM2024 is to provide an international platform for presenting and publishing the latest scientific research outcomes related to the topics of Supply Chain Management.

The scope of the conference will focus and not limited to:

» Risk Management
» Retail Supply Chains
» Supply Chain Quality
» Performance Management
» Green Supply Chains
» Supply Chain Education
» Digitization
» Inventory Management
» Environmental Sustainability

Visit the conference website for more topics: http://www.icscm.org/cfp.html

Publication:

The accepted papers after registration and presentation will be recommended to be published in **Journal of Advanced Management Science (JOAMS)** (DOI: 10.18178/joams), and indexed by Ulrich's Periodicals Directory, Google Scholar, Crossref, Engineering & Technology Digital Library and Electronic Journals Digital Library.
